

without prejudice to the positions taken by the Party Insurers with regard to other insureds, and without prejudice with regard to positions taken by Grace with regard to other insurers. The Parties specifically disavow any intention to create rights in third parties under or in relation to this Amended Agreement.

C. This Amended Agreement is the jointly drafted product of arms'-length negotiations between the Parties with the benefit of advice from counsel, and the Parties agree that it shall be so construed. In particular, with respect to interpretation of this Amended Agreement, the Parties waive any benefits from the principles of contra proferentem or other principles which would result in the interpretation of any ambiguities against insurers. No Party shall be deemed to be the drafter of this Amended Agreement or of any particular provision or provisions, and no part of this Amended Agreement shall be construed against any Party on the basis of the Party's identity as an insurance company or as the drafter of any part of this Amended Agreement.

#### **XVII. NO MODIFICATION**

A. This Amended Agreement may be amended, modified, superseded or canceled, and any of the terms hereof may be waived, only by a written instrument which specifically states that it amends, modifies, supersedes or cancels this Amended Agreement, executed by or on behalf of all of the Parties or, in the case of a waiver, by or on behalf of the Party waiving compliance. The failure of a Party at any time or times to require performance of any provision of this Amended Agreement shall in no manner affect the right at a later time to enforce the same. No waiver by a Party of any condition, or of any breach of any term, covenant,

representation or warranty contained in this Amended Agreement, in any one or more instances, shall be deemed to be or construed as a further or continuing waiver of any such condition or breach, or a waiver of any other condition or of any breach of any other term, covenant or warranty.

B. Nothing in this Amended Agreement shall be construed to prevent Grace or the Trust and a Party Insurer from reaching a separate settlement agreement regarding such Party Insurer's several obligations to Grace or the Trust under this Amended Agreement or under the Subject Insurance Policies issued to Grace by such Party Insurer or for which it is otherwise responsible.

#### **XVIII. EXECUTION**

This Amended Agreement may be executed in two originals, each of which shall be deemed an original but all of which shall constitute one and the same instrument. This Amended Agreement shall become effective as to each Party from and after the date (the "Effective Date") the last Party shall have executed this Amended Agreement.

#### **XIX. GOVERNING LAW**

This Amended Agreement and the performance of the transactions contemplated hereby shall be governed by and construed and enforced in accordance with the laws of the State of New York, other than the conflict-of-laws provisions thereof that would otherwise require the application of the substantive law of any other jurisdiction.

**XX. ARBITRATION**

A. The Parties agree to resolve any dispute which arises regarding the terms of this Amended Agreement or the implementation thereof (a "Dispute") by way of binding arbitration in accordance with the Center for Public Resources Rules for Non-Administered Arbitration of Business Disputes (the "Rules") and the provisions of this Section.

B. In the event any Dispute arises that the Parties are unable to resolve by agreement, any Party to such Dispute shall have the right to commence binding arbitration of such Dispute under this Section by sending written notice demanding such arbitration to the other Party in accordance with Section XXI. Such notice shall briefly describe the Dispute as well as the relief sought by the Party demanding arbitration. Promptly following any such notice, the Parties shall attempt to agree upon the selection of an arbitrator (the "Arbitrator") to resolve such Dispute. If the Parties have not agreed upon the selection of the Arbitrator by the fifteenth day following delivery of the notice demanding arbitration, then any Party may request the Center for Public Resources to select the Arbitrator, provided that any Arbitrator selected by the Center for Public Resources shall be a retired federal or state court judge. Any such selection of the Arbitrator by the Center for Public Resources shall be conclusive and binding on the Parties.

C. All arbitrations under this Section XX shall be conducted in accordance with the Rules and the Parties shall faithfully abide by the Rules and abide by and perform any award rendered by the Arbitrator. All such arbitrations shall be governed by the United States Arbitration Act, 9 U.S.C. §§ 1-16, and judgment upon the award may be entered by any court having jurisdiction thereof. Any such arbitration shall be conducted in New York, New York;

provided, however, that the Parties' agreement on New York, New York as the venue for such arbitration shall not affect their rights to assert that the substantive law of a jurisdiction other than New York shall apply to a particular Dispute.

D. Any process against any Party Insurer in, or in connection with, any suit, action or proceeding arising out of or relating to this Amended Agreement or any of the transactions contemplated by this Amended Agreement may be served on the Representative personally or by mail at the address set forth in Section XXI with the same effect in either case as though served upon such Party Insurer personally.
